GENERAL INSTRUCTIONS

I. Eligibility Requirements for Use of Form F-2

Any foreign private issuer, as defined in Rule 405 (§230.405 of this chapter) which meets the following conditions may use this form for the registration of securities under the Securities Act of 1933 (“Securities Act”) which are offered or to be offered in any transaction other than an exchange offer for securities of another person:

- A. The Registrant has a class of securities registered pursuant to Section 12(b) of the Securities Exchange Act of 1934 (“Exchange Act”) or has a class of equity securities registered pursuant to Section 12(g) of the Exchange Act or is required to file reports pursuant to Section 15(d) of the Exchange Act and has filed annual reports on Form 20-F (§249.220f of this chapter), on Form 10-K (§249.310 of this chapter) or, in the case of registrants described in General Instruction A.(2) of Form 40-F, on Form 40-F (§249.240f of this chapter) under the Exchange Act.
- B. 1. The Registrant: (a) has been subject to the requirements of Section 12 or 15(d) of the Exchange Act and has filed all the information required to be filed pursuant to Sections 13, 14 or 15(d) for a period of at least thirty-six calendar months immediately preceding the filing of the registration statement on this form; (b) has filed in a timely manner all reports required to be filed during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement and, if the issuer has used (during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement) Rule 12b-25(b) (§240.12b-25(b) of this chapter) under the Exchange Act with respect to a report or portion of a report, that report or portion thereof has actually been filed within the time period prescribed by the Rule.
2. The provisions of this paragraph B.1. a. do not apply to any registrant if: (i) the aggregate market value worldwide of the voting stock of the registrant held by non-affiliates is the equivalent of \$75 million or more, or if non-convertible securities that are “investment grade securities,” as defined below, are being registered and (ii) the registrant has filed at least one Form 20-F, Form 40-F or Form 10-K that is the latest required to have been filed.

Instructions

1. For the purposes of this Form, “common equity” is as defined in Securities Act Rule 405. The aggregate market value of the registrant’s outstanding common equity shall be computed by use of the price at which the voting and non-voting common equity was last sold, or the average of the bid and asked prices of such common equity, in the principal market for such common equity as of a date within 60 days prior to the date of filing. See the definition of “affiliate” in Securities Act Rule 405.
2. A non-convertible security is an “investment grade security” if, at the time of sale, at least one nationally recognized statistical rating organization (as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act (§240.15c3-1(c)(2)(vi)(F) of this chapter) has rated the security in one of its generic rating categories that signifies investment grade; typically, the four highest rating categories (within which there may be sub-categories or gradations indicating relative standing) signify investment grade.

- C. Neither the registrant nor any of its consolidated or unconsolidated subsidiaries have, since the end of their last fiscal year for which certified financial statements of the registrant and its consolidated subsidiaries were included in a report filed pursuant to Section 13(a) or 15(d) of the Exchange Act: (1) failed to pay any dividend or sinking fund installment on preferred stock; or (2) defaulted (a) on any installment or installments on indebtedness for borrowed money, or (b) on any rental on one or more long term leases, which defaults in the aggregate are material to the financial position of the registrant and its consolidated and unconsolidated subsidiaries, taken as a whole.
- D. The Financial statements included in this registration statement comply with Item 18 of Form 20-F; *provided however*, that if the securities being registered are “investment grade securities,” as defined above, such financial statements comply with either Item 17 or Item 18 of Form 20-F.
- E. The provisions of paragraphs (B)(1)(a) and (D) do not apply if the Registrant has filed at least one Form 20-F, Form 40-F or Form 10-K that is the latest required to have been filed and if the only securities being registered are to be offered: (1) upon the exercise of outstanding rights granted by the issuer of the securities to be offered, if such rights are granted pro rata to all existing securityholders of the class of securities to which the rights attach; or (2) pursuant to a dividend or interest reinvestment plan; or (3) upon the conversion of outstanding convertible securities or upon the exercise of outstanding transferable warrants, issued by the issuer of the securities to be offered, or by an affiliate of such issuer. The exemptions in this paragraph (E) are unavailable if securities are to be offered or sold in a standby underwriting in the United States or similar arrangement.
- F. If a registrant is a successor registrant it shall be deemed to have met conditions, A, B, C, D and E above if: (1) its predecessor and it, taken together, do so, provided that the succession was primarily for the purpose of changing the state or other jurisdiction of incorporation of the predecessor or forming a holding company and that the assets and liabilities of the successor at the time of succession were substantially the same as those of the predecessor; or (2) all predecessors met the conditions at the time of succession and the registrant has continued to do so since the succession.
- G. If a registrant is a majority-owned subsidiary that does not meet the conditions of these eligibility requirements, it nevertheless shall be deemed to have met such conditions if its parent meets the conditions and if the parent fully and unconditionally guarantees the payment obligations on the securities being registered, and the securities being registered are non-convertible securities. Note: In such an instance the parent-guarantor is the issuer of a separate security consisting of the guarantee which must be concurrently registered but may be registered on the same registration statement as are the guaranteed securities. Both the parent-guarantor and the subsidiary shall each disclose the information required by this Form as if each were the only registered except that if the subsidiary will not be eligible to file annual reports on Form 20-F or Form 40-F after the effective date of the registration statement, then it shall disclose the information specified in Form S-2 (§239.12 of this chapter). Rule 3-10 of Regulation S-X (§210.3-10 of this chapter) specifies the financial statements required.
- H. *Electronic Filings*: In addition to satisfying the foregoing conditions, a registrant subject to the electronic filing requirements of Rule 101 of Regulation S-T (§232.101 of this chapter) shall have filed with the Commission all required electronic filings, including confirming electronic copies of documents submitted in paper pursuant to a temporary hardship exemption as provided in Rule 201 or Rule 202(d) of Regulation S-T (§232.201 or §232.202(d) of this chapter).

II. Application of General Rules and Regulations

- A. Attention is directed to the General Rules and Regulations under the Securities Act, particularly Regulation C (§230.400 et seq. of this chapter) thereunder. That Regulation contains general requirements regarding the preparation and filing of registration statements.
- B. Attention is directed to Regulation S-K (§229 of this chapter) and Form 20-F (§249.220f of this chapter) for the requirements applicable to the content of registration statements under the Securities Act. Where this Form directs the registrant to furnish information required by Regulation S-K or Form 20-F and the Item of Regulation S-K or Form 20-F so provides, information need only be furnished to the extent appropriate.
- C. A registrant must file the Form F-2 registration statement in electronic format via the Commission’s Electronic Data Gathering and Retrieval System (EDGAR) in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232), except that a registrant that has obtained a hardship exception under Regulation S-T Rule 201 or 202 (17 CFR 232.201 or 232.202) may file the registration statement in paper. For assistance with technical questions about EDGAR or to request an access code, call

the EDGAR Filer Support Office at (202) 942-8900. For assistance with questions about the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 942-2940.

- D. The Form F-2 registration statement must be in the English language, as required by Regulation S-T Rule 306 (17 CFR 232.306) for electronic filings and Securities Act Rule 403(c) (17 CFR 230.403(c)), generally. If the registration statement requires the inclusion, as an exhibit or attachment, of a document that is in a foreign language, the registrant must provide instead either an English translation or an English summary of the foreign language document in accordance with Securities Act Rule 403(c) (17 CFR 230.403(c)) for both electronic and paper filings. The registrant may submit a copy of the unabridged foreign language document along with the English translation or English summary as permitted by Regulation S-T Rule 306(b) (17 CFR 232.306(b)) for electronic filings or by Securities Act Rule 403(c)(4) (17 CFR 230.403(c)(4)) for paper filings.

Rule 459 (§230.459 of this chapter). Pre-effective amendments to such registration statements may be filed prior to effectiveness, and such amendments will be deemed to have been filed with the consent of the Commission (Rule 475a, §230.475a of this chapter). Accordingly, the filing of a pre-effective amendment to such a registration statement will not commence a new twenty-day period. Post-effective amendments to such a registration statement on this form shall become effective upon the date of filing (Rule 464, §230.464 of this chapter). Delaying amendments are not permitted in connection with either original filings or amendments on such a registration statement (Rule 473(d), §230.473(d) of this chapter), and any attempt to interpose a delaying amendment of any kind will be ineffective. All filings made on or in connection with this Form become public upon filing with the Commission. As a result, requests for confidential treatment made under Rule 406 (§230.406 of this chapter) must be processed with the Commission staff prior to the filing of the registration statement. The number of copies of the registration statement and of each amendment required by Rules 402 and 472 (§§230.402 and 230.472 of this chapter) shall be filed with the Commission; *Provided however*, that the number of additional copies referred to in Rule 402(b) may be reduced from ten to three and the number of additional copies referred to in Rule 472(a) may be reduced from eight to three, one of which shall be marked clearly and precisely to indicate changes.

IV. Registration of Additional Securities
